

Transformation Storytelling Game

The Hero's Journey Roadmap

What challenge, worry, or problem would you like to explore and find solutions for in the game?

Choose one Black card (your hero) you like most + Check Your Archetype

1

Check the role characteristics: the chosen hero may hold the key to teaching you skills or offering insights you need in your journey. Think about what values/lessons this hero represents for you and what stood out to you about him:

Your hero has 3 questions for you. Pick one that you think will help on your journey and answer:

2

What does the ideal resolution of your problem look like?

3

What's getting in the way of making your dream come true?

4

Which of the answers from the white cards gave you valuable insights?

5

Which tools did you uncover on the blue cards?

Use the insights from the white cards and the tools from the blue cards to move forward.

Write how you (your hero) solve your challenge:

At first...

Then...

In the end...
